Discussion

Town Manager, Scott Buffkin opened the meeting. The Town of Jonesville's zoning ordinance for daycare businesses are in R-20, R-10 and R-12 only. The Town has had someone ask about opening a daycare in the B-1 zoning at 207 North Bridge Street. During the research of the Town map and discussing highway traffic issues, the Board decided that B-1 should be the only change for rezoning for daycares in business areas.

Board Member Parker made the motion to approve amending the ordinance to allow daycares to open in zoning areas of R-20, R-10, R-12 and B-1 only and it was seconded by Board Member Chappell, unanimous vote.

Board Member Parker made the motion to adjourn and Board Member Gilliam seconded the motion, unanimous adjournment.
