Chairman, David Vestal opened the meeting. Mr. Martin would like to request that 120 N. Main Street be rezoned from R12 to B2. He would like to operate a small engine repair business from this property. He would also like a sign placed close to the road for this business. The purpose of the business is to repair lawn mowers, chainsaws, trimmers and misc. items. I would also like to sale some parts and supplies from this location.

It was seconded by Board Member Holcomb, unanimous vote 6-0. The Planning Board would like to see another member from Jonesville voted in.
