

Jonesville Utility Assistance Program

The Town Council has set up a utility assistance program made available from CARES funding allocated to the Town. This program is to assist Jonesville utility customers who suffered a financial hardship due to COVID-19 and currently have an outstanding balance incurred between April 1 and July 29, 2020. These funds are on a first come first served basis and have a limited amount available. Anyone requesting assistance should contact Town Hall to inquire at 336-835-3426.
